At Union Institute & University, we provide the best educational value for our heroes. We are proud to be a Yellow Ribbon university, recognized by the Department of Defense for our outstanding Veteran's education. Whether you are looking to start a career or rise through the civilian ranks, we are here for you every step of the way.

Living Allowance Stipend

Union Institute & University offers a three-term \$7,500 living allowance stipend (\$2,500 per term) for honorably discharged veterans. The stipend is a subsidy to match the VA MHA received by distance education students. This funding makes the use of VA benefits at Union Institute & University comparable to use at a residential college. The stipend assistance is available for three full-time semesters during the first year of the program.

Union Institute & University is a private, regionally accredited, non-profit university that has, since 1964, taken a different approach to higher education. Union is a nationally recognized university offering programs of study leading to degrees at the bachelor's, master's and doctoral level.

Union Institute & University began with a vision of being a "university without walls"—an institution where working adults could have the opportunity to pursue a degree regardless of where they lived and worked. Many of the most commonly used terms in higher education— nontraditional students, interdisciplinary study, distance learning, mentoring, and social relevance—refer to concepts pioneered by Union more than 50 years ago.

Union Institute & University is a private, non-profit university, accredited by the Higher Learning Commission, www.ncahlc.org.
